GENERAL RULES APPLICABLE TO EVERY YEAR.

CONFIRMATION OF ORDERS.

314. Notice must be given to the Prothonotary, on or before the Saturday preceding the commencement of each Term, of all intended applications for confirmation by the Court of orders made under and by virtue of Section 20 of the Act 1900, No. 35.

SETTING DOWN CAUSES AT LAW.

106. For each day of the Sittings for Causes there shall be three separate Cause Lists, which shall be taken respectively in the Banco and in No. 1 and No. 2 Jury Courts.

107. To the extent limited for each day as next mentioned, causes shall be set down consecutively only. No more than four causes shall be set down for any day for trial in Sydney by a Judge without a Jury, or by a Jury of four persons, nor more than one cause for trial by a Jury of twelve: Provided that an additional number of causes, not exceeding two, may be set down for any day, if the Prothonotary sees fit.

108. Until all Lists have been filled, in accordance with the last preceding Rule, no cause shall, except by leave of the Prothonotary, be set down in any List for any subsequent day.

JURIES OF TWELVE.

109. Provided that causes for trial by juries of twelve shall be set down for such days only as the Prothonotary shall in each case direct.

TRANSFERRING CAUSES.

110. Causes, on the List of any Court, may be transferred to the List of any other, by order of a Judge, for trial on the day next but one following, or any later day: Provided that no such day shall be earlier than that for which the cause was first entered.

CAUSES ON CIRCUIT.

111. Causes for trial in any Circuit Court shall be entered for the day fixed in the Law Almanac for holding such Circuit Court. But whenever it appears to the Chief Justice, or to the Judge intending to hold any Circuit Court, that it will not be convenient to hear the civil causes (if any) set down for trial at that Court on the day so fixed, the Chief Justice, or such Judge, may, not less than sixteen days before the day so fixed, appoint some other day for the trial of such causes, by direction to the Prothonotary; and the Prothonotary shall thereupon forthwith give notice of such appointment to the solicitors in the said causes or to their town agents, and also to the Sheriff; and all notices already given between the parties shall hold good and be applied to the day so specially appointed, and all notices and subpoenas to be thereafter given or issued shall be given or issued for that day.

127. If no civil cause has been set down and notice of trial given and notified to the Prothonotary for any Circuit Court, up to the sixteenth day before the day named in the Law Almanac for the time being for the trial of civil causes thereat, no jury shall be summoned to such Court for the trial of civil issues without the leave of a Judge, and the Prothonotary shall give notice to the Sheriff accordingly.

POSTPONEMENT.

113. When any Sittings for causes are postponed, the date for the trial of any cause, specially fixed, shall also be postponed for the same number of days as that for which the Sittings have been postponed, unless a Judge shall otherwise order.

CAUSES UNCONCLUDED DURING THE SITTINGS.

145. Any cause, not concluded on the last day of the Sittings, may be continued on such day or days as the presiding Judge shall think fit.

REMANETS.

114. All causes remaining untried at any sittings shall be set down by the Prothonotary, each according to its appropriate list for the then next Sittings; and no new notice of trial, or to produce documents, shall be necessary. Every such cause shall have precedence over causes previously set down for those Sittings.

MEMORANDUM FOR NEW TRIAL.

150. Where either party intends to move for a nonsuit, or for a new trial, or in arrest of judgment, or for judgment *non obstante veredicto*, or for a *reuire de novo*, or to enter a verdict, or to increase or reduce the amount of the verdict, whether on any point reserved at the trial or not, he shall within eight days (or in causes tried at a circuit town, or at a District Court above 100 miles from Sydney, within fourteen days), after the trial file a memorandum of such intention, together with all affidavits to be used in support of the motion, and shall at the same time lodge with the Prothonotary three additional copies of such memorandum: Provided that any such affidavit may be filed afterwards by leave of the Court or a Judge.

MOTIONS NISI FOR NEW TRIAL.

153. All causes in which such memorandum has been filed shall be entered in the order of filing; and except as hereinafter provided shall be called on in that order on every day in Term until disposed of.

154. Provided that no matter in which printed copies of the Judge's notes have under these Rules to be lodged, shall be called on for hearing before the expiration of the time allowed for lodging such copies, except by direction of the Court or a Judge at the request of the moving party; and that where the cause has ended during the term, or within four days preceding the term, no motion in pursuance of such memorandum need be made earlier than the fourth day after the filing thereof.

PARTIES NOT READY TO PROCEED.

158. Where a memorandum for a new trial has been filed, or a rule *nisi* in pursuance thereof granted, if no motion is made when the case is called on, such case shall (unless the Court extends the time) be struck out of the paper, with leave to the adverse party to sign judgment.

RULES NISI FOR NEW TRIAL.

156. Every rule *nisi* for a new trial shall be taken out, filed, and served within seven days after it has been granted, and at the time of filing, three additional copies shall be lodged with the Prothonotary; otherwise it shall be held to have lapsed, and the Prothonotary shall thereupon strike the case out of the Term Book.

TERM BOOK.

316. The Prothonotary shall keep a book to be called the Term Book, in which shall be entered every rule *nisi* for a new trial as soon as granted, and every other matter for argument in Term, according to its priority in the date of filing.

318. Subject to any Rules regulating the precedence of business, every matter shall come on for hearing in the order in which it is entered in the Term Book.

MOTIONS FOR RULES ABSOLUTE.

329. In prohibition matters under the Justices Act, 1902, and or motions to make any rule absolute, the moving party shall begin and the party showing cause follow, and one counsel only shall be heard in reply. And before the opening any affidavits in support of the rule shall be read unless the Court otherwise orders.

VACATION BUSINESS.

9. During the Long Vacation, from the commencement thereof to the 31st January following, both days inclusive, except as in the next Rule provided, time shall not run in any jurisdiction of the Court, nor shall any business other than that specified in such Rule be taken without the leave of a Judge; but time shall run after the said 31st January, and throughout the Short Vacation.

10. During the Long Vacation, from the commencement thereof to the 31st January following, both days inclusive—

- (a) In any action in which the Writ has been specially indorsed under the 24th section of the Common Law Procedure Act, 1899, all steps and proceedings may be taken and time shall run at Law.

- (b) Causes may be set down, and notices of trial and to admit or produce documents may be given.
- (c) All Writs may be issued, executed, and returned.
- (d) Judgment may be signed in all cases in which the time which must expire before the same can be signed has expired before vacation begins.
- (e) Time shall run for putting in, excepting to and justifying bail.
- (f) Costs may be taxed in any case if the Taxing Officers deem it necessary.

© State of New South Wales through the Attorney General's Department

Notice to Candidates for the Bar Examination under Appendix C.

1. The English text-books prescribed for this Examination are, in great measure, prescribed for the purpose of indicating the scope and subject-matter of the examination: but, on all subjects where the law in force in New South Wales differs from the English law, candidates are required to make themselves acquainted with the law in force in New South Wales. Text-books or parts of text-books which require to be read in connection with the local statutes are marked with an asterisk.

2. Candidates are reminded that English Statutes passed after the 25th July, 1828, are not in force in this State, except in cases where the enactment has been made binding by the Imperial Parliament, either expressly or by necessary implication. At the same time, a considerable number of English Statutes passed after that date (such as the English Wills Act, 1837), have been expressly adopted by the local Legislature: whilst a considerable number of other local enactments (such as the Bills of Exchange Act, 1887) are based on similar enactments passed in the United Kingdom. As to how far law in force in England prior to the 25th July, 1828 applies in New South Wales, reference may be made to Webb's "Imperial Law." As to how far English Statutes have been adopted by, or embodied in, local legislation, reference may be made to Curlewis' "Table of Statutes."

3. In cases where local Statutes are expressly prescribed as subjects for examination, the examination will be confined, so far as possible, to the general tenor and essential, or more important, provisions of the Statutes referred to: or, in other words, to such matters as would find a place in a student's text-book. The English text-book will serve, to some extent, as a guide in this matter. Candidates may also obtain a few copies of previous papers, for the purpose of guidance, on applying to the Secretary to the Board.

4. Candidates are reminded that the State Laws on some of the subjects included in these examinations are liable to be superseded by Federal Legislation: whilst on other subjects the existing Acts are likely to be displaced by Consolidated Acts. Candidates are further reminded that they are liable to be examined in any Acts or Rules relating to the subjects of these examinations passed or made by either the State or the Federal Parliament more than six calendar months prior to the date at which such examinations may be held.

5. Where chapters, sections, or pages are referred to, the reference is to be deemed "inclusive" unless otherwise expressed.

Notice to Candidates for the Intermediate and Final Examinations in Law.

1. The English text-books prescribed for these examinations are, in a great measure, prescribed for the purpose of indicating the scope and subject matter of the examination; but, on all subjects where the law in force in New South Wales differs from the English law, candidates are required to make themselves acquainted with the law in force in New South Wales. Text-books, or parts of books which require to be read in connection with local statutes, are marked with an asterisk.

2. Candidates are reminded that English statutes, passed after the 25th July, 1828, are not in force in this State, except in cases where the enactment has been made binding by the Imperial Parliament, either expressly or by necessary implication. At the same time, a considerable number of English statutes passed after that date (such as the English Wills Act, 1837), have been expressly adopted by the local legislature; whilst a considerable number of local enactments (such as the Bills of Exchange Act, 1887) have been based on similar enactments previously passed in the United Kingdom. As to how far law in force in England prior to 25th July, 1828, applies in New South Wales, reference may be made to Webb's "Imperial Law." As to how far English statutes have been adopted by, or embodied in, local legislation, reference may be made to Curlew's "Tables of Statutes."

3. In cases where local statutes are expressly prescribed as subjects for examination, the examination will be confined, so far as possible, to the general tenor and essential or more important provisions of the statutes referred to: or, in other words, to such matters as would find a place in a student's text-book. The English text-books will serve, to some extent, as a guide in this matter.

4. Candidates are reminded that the State laws on some of the subjects included in these examinations are liable to be superseded by Federal legislation; whilst on other subjects the existing Acts are likely to be displaced by Consolidated Acts. Candidates are further reminded that they are liable to be examined in any Acts or Rules relating to the subjects of these examinations passed or made by either the State or the Federal Parliament more than six calendar months prior to the date at which such examinations may be held.

5. Candidates are also advised, prior to entering on their studies for the final examination, to make themselves acquainted with the general tenor of both the Interpretation Act, 1897 (New South Wales), and the Acts Interpretation Act, 1901 (Commonwealth); whilst they are also reminded that the

interpretation of Imperial statutes, applicable in either State or Commonwealth, is governed by the Interpretation Act, 1889 (Imperial).

6. Where chapters, sections, or pages are referred to, the reference is to be deemed "inclusive," unless otherwise expressed.
